Sir:

INFORMATION DISCLOSURE STATEMENT

Pursuant to Applicant's duty of disclosure under 37 CFR §1.56, the Examiner's attention is directed to the information identified in the attached Form PTO 1449.

A copy of all cited patents and printed publications is available in the copending U.S. Patent Application no. 10/085,930 filed February 27, 2002. The Examiner is requested to review each reference and formulate his/her own understanding thereof.

Respectfully submitted,
